Work Experience

Personal Projects

- [SyncUQ](#) - Python (Flask), Elm, Sass, Postgres. A University of Queensland exclusive schedule sharing SPA. Collaboration with two friends.
- [Spozberry](#) - Python. A command line app which connects to a Music Player Daemon and automatically plays music when you get home.
- [Funny Fish](#) - Python (Flask), ReactJS, Sass, Postgres. A clicker/idle game. Still in development.
- [Other](#) - See my Github for more.

Web Development

Freelance Development - Owning and operating a freelance web development company. The following websites have been designed, developed and deployed by my business partner and me.

- bonsaidesign.com.au - HTML, CSS: Static multi-page website for a freelance web development company with CSS animations.
- uqbars.com - Wordpress: Static promotions site for a university social club.
- gasespresso.com.au - Wordpress: Interactive one page information site for a boutique cafe and restaurant.
- wellnessforlaw.com.au - Wordpress: Blog and resource for promoting mental wellness in the law profession.

Tutoring - Tutoring DECO1400 (Introduction to Web Design) at St John's College. The course covers:

- HTML, CSS and Javascript.
- Human-centered design techniques.
- Using JQuery to create dynamic websites.

Hospitality

Mary Street Catering - Part time work for a catering company primarily focussed on providing a cafe and restaurant for The Village at Yeronga, a retirement village. This places an emphasis on friendly interaction with customers, as most customers return at least once a week, if not every day. Empathy and patience are also key skills needed, as a majority of the customers are elderly. (2015 - 2017)

Technologies

- Object Oriented Programming: **Python**, Java

- Functional: *Clojure*, *Haskell*
- Other: *C*, *Assembly*
- Web Development: **Flask**, **React**, **HTML**, **CSS**, **Wordpress (Divi)**, React-Native, Javascript/JQuery, Elm
- Tools: **Git**, **Vim**, Heroku, Jenkins, SonarQube
- OS: **OSX (bash)**, **Windows**, Raspbian (Debian for Raspberry Pi)
- DB: MySQL, Postgres

(**Bold** indicates very high skill level. *Italics* indicates limited knowledge.)

Education

University of Queensland: 2015-2018

- Bachelor of Science, Major in Computer Science
- Overall GPA: 6.818
